Lightbox application form 2015/16

This application form is used to give us a better understanding of your work, and your suitability for the Lightbox programme. Whilst we try to take as many applicants onto the course as we are able to, it is important that applicants are the right fit, in order to make the collaborative experience as beneficial as possible.

We are not concerned with professional experience, but are looking for applicants who understand the value of collaboration, and are committed to developing their practice. We expect participants to be committed photographers, and to be able to provide adequate examples of their work and experiences.

If you have any questions about the form, or about your suitability for the course, please email lightbox@redeye.org.uk and we will get back to you as soon as possible.

Good luck!
